

## **Estacada First Baptist Volunteers Needed!**

There is no way that paid staff could do all that needs to be done at EFBC. People often feel in church that they are not specifically needed in ministry. Not true! We need volunteers each and every week just to make the services operate smoothly and safely. \_

### **Ways to Serve**

Some volunteer positions are standing (permanent ongoing positions), and some are single project opportunities. For example, we need people for ministry committees, for ushering, for choirs, for nursery service, for children's ministries, and for small groups. We need painters, gardeners, project builders, sound system monitor, set up teams, and more. This is just a brief list. It is by no means exhaustive.

### **Contact us**

Do you have a skill? Do you have a heart to invest that skill in God's Kingdom? We can probably find a good fit for you among EFBC's ministries.

To volunteer, please check any areas that may apply and drop this in the offering basket, or you can call Carolyn Bagley at the Church office 503.630.5325
